SITA'25

Call for Papers

SITA'25 is the 15th International Conference on Intelligent Systems: Theories and Applications. It is a conference for the presentation, discussion and dissemination of the theory and applications of intelligent systems. It is the result of fruitful cooperation between Moroccan universities and institutions since 2001. This conference brings together leading scientists, researchers and academics in Intelligent Systems from around the world. **SITA'25** will be hosted by the National School of Computer Science and Systems Analysis (ENSIAS). It is the fifteenth in the series of previous editions that have been held since 2001. **SITA'25** will be held on October 20-21, 2025, at ENSIAS, Rabat, Morocco.

Topics & Scope

- Artificial Intelligence
- Big Data Analytics
- Cloud and Edge Computing
- Cyber-Security and Information Security Systems
- Data and Software Quality
- Data Mining, Data Warehousing and Knowledge Management
- Decision Support Systems
- Distributed Platforms, Middleware, and Computing Paradigms
- E-Health
- Embedded Systems, Cyber-Physical Systems, and Internet of Things
- Explainable Artificial Intelligence
- Green and Sustainable ICT Development
- Intelligent Software Engineering
- Interoperability and Integration
- Multi-Agent Systems
- Natural Language Processing
- Neural Computing
- Reasoning under Uncertainty
- Software Engineering
- Speech and Image Processing
- Web Mining and Web Semantics

Publication & Indexing

Authors are invited to send their original and previously unpublished papers (from 6 to 8 pages) in English following the IEEE templates (Word or Latex). The accepted and presented papers will be submitted to IEEE Xplore for publication (Pending). IEEE Xplore is indexed by popular abstracting and indexing databases, such as **Scopus**, **Web of Science**, etc.

Authors of the best selected papers will be invited to extend their submissions for publication in a Special Issue of Scientific African Journal.

Research still in early stages and doctoral research proposals may be submitted and will be included in a special poster session.

Important Dates

- Submission deadline: **June 30, 2025**
- Notification for authors: September 14, 2025
- Camera-ready papers: September 29, 2025
- **SITA'25 : October 20-21, 2025**

Workshops

- Artificial intelligence in image processing
- Artificial intelligence in medical applications
